

ARUCC Groningen & Student Mobility Briefing Note: May 29, 2018

Project: the ARUCC Groningen & Student Mobility Project - a 'Made in Canada Student Data Exchange Solution' to support national and international student mobility and transfer

Request: consider endorsing the ARUCC Project

Contact: Charmaine Hack, Chair, Project Steering Committee; President, ARUCC; Registrar, Ryerson University, chack@ryerson.ca; Joanne Duklas, Project Consulting Lead, joanne@duklascornerstone.ca

Strategic Project Priorities: support scalable student service; contribute to in-Canada student transfer and mobility and broader internationalization goals; ensure quality assurance and fraud mitigation; preserve the Canadian higher education brand

Core Project Principles: ensure a national, evidence-based 'Made in Canada' solution; improve student service; preserve and support institutional and provincial/territorial diversity, autonomy, and authority; advance improvements and enhancements that support student mobility and data portability; build on and complement existing student application and data exchange service providers supporting post-secondary institutions; close gaps within and across regional boundaries including in those parts of Canada that currently provide no student data exchange capacity

Project Leadership: Association of Registrars of the Universities and Colleges of Canada (ARUCC) in partnership with the Pan-Canadian Consortium on Admissions and Transfer (PCCAT); the Canadian University Council of Chief Information Officers (CUCCIO); and the Canadian Post-Secondary Electronic Standards Council User Group (CanPESC)
